

# BUILD YOUR OWN ARTIFICIAL COCKATOO HOLLOW & INDEPENDENT INFORMATION

Attend a free information session on Artificial Black Cockatoo Hollows and the private enterprise model of conservation hosted by *Nullaki Cockatoo Nursery & Carnaby's Crusaders*

Listen to *Larry Geno* discuss the benefits of the private enterprise model of Black Cockatoo Conservation. Hear about the success of Artificial Black Cockatoo Hollows from *Dean Arthurell* and the optional build your own session at a subsidized cost of \$150. Build your own bookings essential as places are limited. Enquiries welcome!
